School District Rights over ECTS Applications

Each school district has the legal authority to assign students to the Erie County Technical School. In order to be enrolled as a student at ECTS, you must meet your school district's requirements with regard to grades, attendance, behavior and other related matters. The technical school encourages you to talk with your guidance counselor about these requirements as you complete this application.

I have reviewed this application that was completed by my son/daughter and give my approval to submit for consideration of acceptance to the Erie County Technical School.
