

RCTC Report April 2004

RCTC

Term IV has 23 classes operating in the evenings. This term ends on May 7. The fifth and final term for this year will begin May 17. There are only five classes being offered for this last term, all continuations from the current term, (Part II or advanced classes). We will be working on developing the schedule of classes and instructors for the 2004-05 calendar year.

State Inspection classes and Enhanced Emissions training continue to be held each month.

New Choices / New Options

The fifth program for this year is currently in session. This group will graduate on April 23.

We are recruiting for the next class that will begin on May 3. The number of clients served so far this year is lower than expected, and we need to get the word out about our program. We will be attending the CareerLink Job Fair in Crawford County on April 22 and the Erie CareerLink Job Fair held at the Shrine Club on May 12.

Mary Ellen will be attending the Leadership Day program in Harrisburg, along with some of our clients. Three scholarships will be awarded at this event and we have two clients planning to apply, (one is a student in Business Administration at Edinboro, the other will be attending Mercyhurst's LPN program in the Fall).
