

The Courtyard Accolades

Courtyard by Marriott's face has changed in two ways. We have a new logo for our hotel and a new General Manager, Wanda Hough.

The staff welcomes you to the Courtyard. Thank you for all your patience, you are doing a great job! It is always a pleasure to see her horse and buggy parked in the back! We would also like to welcome all of our new employees to our Courtyard home.

Congratulations to Kerry Balzer for being our employee of the month. Kerry is a wonderful employee who we can always count on to welcome guests at the front desk with a smile.

Wanda recently came back from California where she accepted the Courtyard's President Award and the Gold Award that Courtyard received at their last review. There is also an employee appreciation dinner in the works.

News at the other end of our building.

Ambassador would like to congratulate Shawn McFeeley on the birth of his son, Liam, born Monday, March 15, and to Chris Work whose daughter will be born in April.

We also want to congratulate Besil Latifi on his recent marriage. Lastly, we want to say KUDOS to our very own Tech teacher Bob Craft for receiving "Teacher of the Year" award. He will be traveling to Las Vegas to receive this honor.
