

**ERIE COUNTY TECHNICAL SCHOOL
PROPOSED AGENDA ITEM**

DATE: June 24, 2004

SUBJECT: 2004-2005 Calendar Revision

CATEGORY: Operations

INITIATED BY: Aldo Jackson

DESCRIPTION: The faculty will be receiving two days of in-service on instructional reading techniques before school starts. The two days of in-service will occur on Friday, August 27 and Monday, August 30. To conduct this in-service, two days of in-service during the school must be moved.

The Erie County Technical School will also be hosting the District 10 SkillsUSA Competitions. The competitions involve over 120 students from regional career and technical schools. It is virtually impossible to host the competitions and conduct regular classes on the same day. In lieu of having sending school districts hold our 800 students on their campuses the day of the competitions, the administration is recommending that an in-service day be scheduled for December 10, 2004. ECTS faculty will be responsible for developing and conducting each of the competitions in their laboratories.

The October 11 and January 24 dates will remain non-student days. The February 18 date will become both a student and a teacher day in the place of December 10.

RECOMMENDATION: Motion to revise the initial 2004-2005 School Calendar to reflect the change in three in-service days. Initial in-service days of Monday, October 11, 2004, Monday, January 24 and Monday, February 21, 2005 will be moved to Friday, August 27 and Friday, August 30 and Friday, December 10, 2004.
