April 11, 2005

Dear Dr. Jackson and ECTS Board,

The Commercial Art students that attended the trip to New York City want to thank you for allowing us to take this trip. We are very fortunate to have been able to take this trip to see many famous art museums, such as the Modern Museum of Art, and the great sights of New York City. Our class has taken with us an amazing experience to see what it is like to have an art related career and to live as an artist in a large city. We also took many photographs of artwork like Van Gough's 'Starry Night', buildings with spectacular architecture, and statues, such as the Statue of Liberty, which we will be able to use as photo references for our future art pieces. The Commercial Art class was also able to attend many interesting tours such as NBC Studios at Rockefeller Center and the Metropolitan Opera House where we learned about the production and preparation which goes into making an opera. This was a field trip that the students of Commercial Art will never forget and we want to thank you all for making it happen.

Sincerely,

A handwritten signature in black ink that reads "Lindsey Allen". The signature is written in a cursive, flowing style with a large initial 'L'.

Lindsey Allen

*Student of the Commercial Art class*
