Hi Kathi,
Has the Millcreek board met and appointed a representative to our ECTS Operating Committee? Our meeting is next week, December 14th and I will insert the name into the agenda packet going out on Thursday (12/9).
Thanks

Subject: ECTS Board Member Appointment

Dear Judy & Larry,
Along with Millcreek, Fairview and North East will need to appoint (or re-appoint) a representative to the ECTS Joint Operating Committee at your December reorganization meeting. The appointment is for a term of three years (as per the Articles of Agreement, Article III, Section B.) commencing with the December 2004 meeting and ending with the November 2006 meeting.
Please feel free to contact me with any questions you may have.

Thanks,

Aldo

PS Kathi—the term of appointment I gave you earlier is incorrect.
