

RCTC Report December 2004

RCTC

Term II classes will be completed by December 16th; with 114 certificates of completion being awarded. This does not include the 26 students in the PA State Inspection and Mechanics Tool course classes.

We are planning for Term III which begins the week of January 24th, with registration beginning January 3rd. There are 40 classes being offered at this time. All of these may not actually run as we typically need a minimum of four students for each class.

Two new instructors will be joining our roster in Term III.

New Choices/New Options.

The current program operating from Bethany Lutheran Church will complete on December 18th.

The next class will be offered at the Union City Family Support Center and run from January 10th to February 4th.
