Dear Ms. Fatica,

Congratulations! Erie County Technical School has qualified for the 2004 Association for Career and Technical Education (ACTE) Achieve 100 Award. This award recognizes schools and institutions that have 100% ACTE membership participation from each and every member of their career and technical staff. As a recipient of this award, you join the ranks of schools and organizations that have made a commitment to excellence in the field of career and technical education.

In recognition of your 100% staff enrollment in ACTE, your organization will be receiving a plaque to recognize your accomplishment. If you are a previous winner you will receive a 2004 year plate that can be easily attached to your plaque. In addition to your plaque or plate, all Achieve 100 program winners will be recognized in *Techniques* magazine as well as on the ACTE Web site at www.acteonline.org.

Again, congratulations and we look forward to receiving your application for the 2005 Achieve 100 Award. If you have any questions, please contact me at mreiter@acteonline.org or at (703) 683-9312.

Sincerely,
