AFT Local 1589 and ECTS Operating Committee Awards Scholarships

The ECTS Operating Committee and the ECTS AFT Local 1589 have formed a scholarship committee which selected two graduating seniors to receive two five hundred dollar scholarships. The ECTS Operating Committee will give a five hundred dollar scholarship to Amanda Miehl, Millcreek, Graphics, and the ECTS AFT Local 1589 will give a five hundred dollar scholarship to Terry Swab, General McLane, and Health Assistant. Both will receive their scholarship checks at the annual Awards Ceremony.

“Champions at Work” 2005 Awards Ceremony

The Class of 2005 will be honored at an Awards Ceremony at 7:00 PM, Wednesday, June 1st at the Millcreek Intermediate Little Theatre. Featured will be three speakers, Brandy Cochran, Millcreek, Cosmetology, Jon Kenny, General McLane, Culinary Arts, and Bridget Testrake, North East, Tourism and Hospitality Management. Following the ceremony the 241 seniors and their families will be honored at a reception in the Commons Area.

ECTS participates in PDE’s “Best of the Best” program

Megan Gomolokoff, General McLane, Child Care is recognized as ECTS’ nomination for the *Best of the Best*. This is a student recognition program sponsored by the Bureau of Career and Technical Education. The program acknowledges students’ educational excellence and highlights outstanding students. Megan is an individual who has achieved excellence and mastery in developing a knowledge base through integrating academics with career and technical skills in our school. Her picture will be added to PDE’s “*We Are The Best Of The Best 2004-2005*” wall in the lobby/reception area of the Bureau of Career and Technical Education. It will also be available on their website at www.pde.state.pa.us.

June 1, 2005, 7:00 PM, ECTS Awards Night

The students and staff are ready to celebrate another successful Awards Night at the MIHS Little Theatre. Two hundred forty one seniors will receive their certificates from the Erie County Technical School. As part of the ceremony student's accomplishments and post high school plans will be announced. The following day all home schools will be notified of this information so they can in turn be acknowledged at home school commencements. Please join us in this very proud occasion.

Portfolio Reviews

All seniors graduating from ECTS have a culminating Senior Portfolio. Throughout the month of May we have had the opportunity to have parents, home school staff, business representatives, and other family members participate in the presentation of the Senior

Portfolios. Know a senior at ECTS-ask to see their portfolio. You will be duly impressed.

Culinary Arts/Commercial Art Mock Interviews/Breakfasts

Morning students in the Commercial Art Lab. had the opportunity to participate in small group mock breakfast interviews whereby each team of Commercial Art students were interviewed for specific positions and one team member was 'hired'. The Culinary Arts students prepared and served the breakfasts. It was a great team-teaching cooperative inter-lab experience.

Thurston House Program

Twice a month the folks from Thurston House provide services to Erie County teen parents. Students are bussed to ECTS and meet with the trained professionals to discuss topics ranging from parenting and pregnancy issues to medical concerns and social services. In mid-May, a luncheon was held in the Eagle's Nest for the ECTS students as well as those in a similar program at McDowell High School.
