

High School Activity Report

1. Mid Quarter reports for the second quarter were mailed out yesterday, December 12th, 2005. A mid-quarter was sent out for each one of our students regardless of their performance level. For the third quarter Jerry Baker and John Hansen will make every effort to utilize SchoolDESX capabilities in order to streamline the process.
2. The annual SkillsUSA candy sale will conclude this Friday, December 16, 2005. The sale is moving rather slowly at the present time. The funds raised from this candy sale will be used to offset the cost of the competitions at the local, state and national levels.
3. On Friday, December 16th, 2005, the Erie County High School Counselors will hold their quarterly meeting. Patty Palo and Lisa Sorensen will host the meeting. This will be a great opportunity for information sharing with the regards to recruitment week which will begin in early January.
