

High School Activity Report

June 22, 2006

1. The Annual Senior Awards Ceremony went very smoothly this year with excellent attendance and student behavior reflecting the respect that our students have for each other and ECTS. Millcreek Intermediate High School was once again an excellent host. Approximately 800 people observed over 200 ECTS seniors receive recognition for their accomplishments. The program lasted about 2 hours, and our sending schools were well represented by teachers, guidance counselors, principals, superintendents, and board members.
2. Wednesday, June 7, 2006, was the final day for students at ECTS. Most labs conducted an end-of-the-year party, and the students were extremely well behaved. Due to lack of success with the annual candy sale, each lab handled the food and drinks for the day individually. In the past, the money earned from the candy sale was used to purchase pizza and soda pop for the students. However, the lack of funding did not seem to dampen the fun which occurred during the day.
3. Jeff Smith has done an excellent job of helping too produce the needed reports from SchoolDESX. For the fourth quarter, the instructors had grades in the system by 3 o'clock on Thursday, June 8th. By Friday June 9th, Linda Harpst had faxed the grades to home schools.
