

High School Activity Report
May 25, 2006

1. On Thursday, May 18, 2006, the Commercial Art and Culinary Arts labs conducted their annual portfolio review. It was a fantastic chance for those students to highlight many of their proud accomplishments from the last three years. Congratulations to Ms. Matthews, Ms. Grossman, Mr. Oakes, and Ms. Gangemi on a job well done.
2. On Friday, May 19, 2006, the Erie County Technical School conducted the annual in-house awards for both the a.m. and p.m. sessions. Each teacher had the opportunity to honor five a.m. and five p.m. students who have excelled over the past school year.
3. Tuesday and Wednesday, May 30 and 31, 2006 will be the date for the ECTS awards ceremony to be held at MIHS. The practice will take place on the 30th, at 12:30. The actual ceremony will begin at 7:00 p.m. on Wednesday, May 31, 2006.
4. On Wednesday, April 26th, 2006, at 5:30 p.m., Jason Lindy, a senior drafting student from Northwestern, was honored as this year's winner of the Patrick R. Locco Memorial Scholarship Award from the Manufacturers' Association of Northwest Pennsylvania. I had the pleasure of attending a reception honoring Jason at the Manufacturer's Association Conference Center. Congratulations and good luck, Jason!
5. Finally, the last day of school for the students of ECTS will be Wednesday, June 7, 2006. I would like to personally thank this committee for providing me with the opportunity to work with such a fantastic staff. I look forward to next year, and will work diligently on making ECTS even better than it was this year.
