AFT LOCAL 1589

On Monday September 12, 2005 the Classified Unit of AFT Local 1589 took a ratification vote on a proposed five year contract as agreed upon with the Erie County Technical School's contract committee. I pleased to announce that the proposed contract passed a ratification vote by the bargaining unit.

At this time I would like to thank both the Classified Unit, of AFT 1589, and the Erie County Technical School's Administration and contract committee for the hard work that they put in on this matter.

Sincerely yours,
