

RCTC Report
April 2007

RCTC

Term IV completes on May 3rd. Registration for Term V, the final term for this school year, began on April 23. Classes will run the week of May 14 through June 28. There are a limited number of classes being offered.

Electric Materials Co. in North East has contracted with us to provide 17 of their employees with instruction in Geometric Dimensioning and Tolerancing, (GD&T). Training will be at the Electric Materials site beginning April 24. We are providing instruction two afternoons a week for five weeks for a total of twenty hours.

Mary Ellen is part of the accreditation review team visiting Schuylkill Technology Center. The review takes place April 25 and 26.

New Choices/ New Options

An evening program with 8 participants began on April 17. Students will meet three evenings a week for the next seven weeks.

Leadership Day, an annual event sponsored by PA Women Work, was held in Harrisburg on April 16. Mary Ellen and six NC/NO graduates from Erie attended with other NC/NO programs around the state. The "Erie" group visited with Representatives Evans, Fabrizio, Harkins, and Sonney and was escorted on a tour of the Capitol by Rep. Sonney. As the representatives heard stories from the graduates, all expressed their support to continue funding. We also visited Senator Earll's office and spoke with her assistant. Time ran out before we could meet with Rep. Hornaman. In all it was an exciting and successful day.
