Att: Paul Fritz, Board Secretary

Dear Erie County Technical School Board,

I am writing to say thank you to all who were involved in sending and supporting myself, Whitney Wagner, and my instructor Mrs. Suzanne Matthews to the SkillsUSA National Competition in Kansas City, Missouri this past June.

Nationals were one of the best experiences I could have ended my education from Erie County Technical School with. The competition itself, Job Interview, was one of the most intense things I have ever come to be involved in, giving me such an adrenaline rush when I was competing. Getting to interact with my fellow competitors and others who were present at the competition gave me a feeling of comradery within this monumental organization of SkillsUSA.

This opportunity that my instructor and I had the chance to participate in would not have been possible without the Erie County Technical School Board and the schools staff and administrators. So once again I thank you and best of luck in future years at the school and with SkillsUSA.

Sincerely,

A handwritten signature in cursive script that reads "Whitney Wagner". The signature is written in dark ink and is positioned above the printed name.
