

High School Activity Report

February 22, 2007

SkillsUSA

On Monday, January 15, 2007, Donna Erdman and Patty Palo accompanied 25 ECTS students to Lawrence County AVTS for the regional SkillsUSA competition. In addition, ECTS and Erie Central also hosted several competitions on Tuesday, January 9, 2007. There is a list of all of our competitors in the supplemental section of the board minutes. As a result of the regional competition, ECTS has the opportunity to send 7 students to the state competition in Allentown, PA, in late March.

Student Grades

Thursday, January 18, 2007, marked the end of the first semester for ECTS students. Teachers were asked to have all grades into SchoolDESX by Friday, January 19, 2007. Sending schools should have received grades by Tuesday, January 23, 2007. Thanks to Jeff Smith and Linda Harpst for ensuring smooth operation of this process. It is hard to believe, but today was the mid way point of the third quarter. Over the next few days, ECTS will mail progress reports to each of our 800 or so students, in an effort to keep parents and students informed.

Community Service

The ECTS staff, along with a match from the ECTS Foundation, presented 76 Wal-Mart gift cards to ECTS students. The staff contributed \$920, and the foundation match brought our total to \$1,840. Once again, this is a perfect example of our faculty and staff putting our students first! Thanks to all those who contributed to such a worthy cause.

Erie County Principals Meeting

The next Erie County Principals meeting will be held at IU #5 on Thursday, March 1, 2007, from 8:30-11:00 a.m. This serves as a great arena for communication between the Erie County Principals and ECTS.
