Dear Joint Operating Committee Members:

My tenure at Erie County Technical School has been one of the most rewarding periods of my career. I regret having to make a very difficult decision.

With my desire to enhance my professional development, I have been compelled to explore job opportunities with other organizations. As a result, I have recently accepted a position with Millcreek Community Hospital.

I am resigning my position with the Erie County Technical School Effective March 15, 2007. This resignation date will provide me with eight complete years toward my PSERS retirement.

The last day that I will be onsite is February 23, 2007, with benefit time comprising the remaining days until my effective date of resignation as outlined below:

2-26-2007 thru 3-13-2007 Vacation days (12)
3-14-2007 thru 3-15-2007 Personal Days (2)

The balance of 19 sick days will remain unused in the event I return to the public school system after I have broadened my experience and completed the few remaining classes needed to obtain my Business, Computer, and Information Technology Education Certification K-12.

In addition, I intend on exercising my rights under the COBRA insurance provisions.

I wish everyone at ECTS and our eleven sending school districts good luck and continued success.

Respectfully,

Marchelle K. Eberle
