Dear Food Service Owner:

The Erie County Department of Health is pleased to present you with a Certificate of Achievement in Food Service. This Certificate recognizes that your facility has not had any critical violations of the Pennsylvania Food Code for a minimum of two years.

This Certificate is designed to be displayed to the public. The vinyl has a low tack adhesive on its face so that it can be displayed on an entry door or window.

You have received this recognition for meeting the following criteria:

1. Operating for a minimum of two years under the same ownership.
2. Have had no critical violations of the Pennsylvania Food Code as recorded in the Department's inspections for the previous two years.

I hope that you display this award and continue to achieve a recognized standard of food safety to the public.

Congratulations!

Sincerely,

Douglas Range, Director
