111	MANUFACTURING ASSISTANT	<u>Palmer Snyder Furniture Company</u> , Conneautville PA. Would like to hire a Manufacturing Assistant with a couple of years of technical experience, interpersonal skills and some knowledge in work working. This job is a manufacturing engineering position, but the individual would also work directly with production personnel. Palmer Snyder is a small business that makes furniture and dance floors. The candidate hired would report directly to the head of engineering. The job will pay between \$35,000 and \$40,000. Individuals interested in this position may respond to John Bach in one of the following manners: e-mail jabcco@sbcglobal.net ; fax a resume to: (414) 962-3725; telephone: (414) 962-6545.
112	METAL FABRICATION	<u>American Tinning & Galvanizing</u> , 552 West 12 th Street, Erie PA 16501. Would like to hire a co-op student to begin his/her career with this company. The job involves metal fabrication (bending & folding sheet metal, inserting pins, plating, etc.) and some welding including tack welding. A good work ethic is a must. Interested students who qualify for co-op should submit their resumes to Mrs. Shaffer.
113	TOOL & DIE	<u>Horsepower, Inc.</u> , 3952 West 12 th Street, Erie PA 16505. Now hiring individuals to work in machining operations. Job responsibilities include CNC lathe operation for production jobs. Work is available on a co-op basis, or for after-school or weekend hours. Interested applicants should submit their resumes to Mrs. Shaffer.
114	COMMUNICATIONS	<u>Telatron</u> , 1545 West 38 th Street, Erie PA 16508. Recently served as the Emergency Action Center for PennDot and the Commonwealth of Pennsylvania taking thousands of calls from stranded PA motorists. They have 80 immediate openings in their state-of-the-art contact centers. Their employees enjoy paid training, advancement opportunities, full & part-time, great wages and benefits and more! Telatron's Inbound Customer Service positions offer pay scale of \$10.20/hour! To inquire about a job, call 866-1900.
115	ELECTRICAL ENGINEERING	<u>Erie Press Systems</u> , 1253 West 12 th Street, Erie PA 16512. Would like to hire a co-op student to work with Allen Bradley programmable controllers. It would also be helpful if the individual knew hydraulics. Students qualifying for co-op should submit their resumes to Mrs. Shaffer.
116	PLASTICS TECHNOLOGY	<u>Lesko Enterprises</u> , 21 Euclid Street, Albion PA 16401. Would like to hire a mold setter for 80 to 400 ton plastic injection molding machines. This job entails teardown and setup of molds using a forklift. Responsibilities also include arranging work stations and setting up auxiliary equipment such as conveyors, tables and hot runner systems. This could be a co-op job going into full time employment for the right candidate. Interested candidates should submit their resumes to Mrs. Shaffer.
117	SUMMER JOB	<u>Girl Scouts of America</u> , 5681 Route 6N, Edinboro PA 16412. Looking for females who will be graduating this spring and who are looking for a summer job. This employment opportunity is a live-on site position running between June 10 and August 11, with weekends off. There is no pre-training requisite to become a staff member, other than to enjoy working with children. First aid and CPR certification is part of the camp orientation. Interested applicants should contact Mrs. Shaffer for an application for this position.
118	CULINARY ARTS	<u>Cracker Barrel</u> , 7810 Interstate Drive, Erie PA 16509. Full and part-time positions are available as hosts/hostesses, line/prep cooks, servers, dishwashers, night maintenance, cashiers and shop personnel. Cracker Barrel offers top wages, a discount purchase plan, paid vacation, paid training, weekly pay and no tip sharing. Apply in person, or inquire online at www.crackerbarrel.com .
119	CULINARY ARTS	<u>Alto Cucina</u> , 3531 West Lake Road, Erie PA 16505. (This restaurant is formerly known as the Aviation

Erie County Technical School
Cooperative Education Employer Requests

		Club.) Would like to hire a student for after-school work. The job involves dishwashing and a little prep cook work (cutting vegetables, making salads, etc.) Work hours are from 4:30 pm to 11:00 pm. This can be a co-op job for a Culinary student, or an after school job for others. Interested applicants should submit their resumes to Mrs. Shaffer. <i>(This does not have to be a co-op job - anyone who wants an after-school job can apply.)</i>
120	FACILITY MAINTENANCE	<u>Jackson Plumbing</u> , 3419 Shannon Road, Erie PA 16510. Would like to hire someone interested in a career in the plumbing profession. This company works typically in the Erie, Millcreek and Harborcreek areas (on rare occasions – Corry and Fairview). They do residential and commercial plumbing – remodeling and repairs. Some of the work is residential bathroom remodeling; other work involves maintenance and repair. Jackson Plumbing installs drain, gas and water lines and does a little carpentry on remodeling projects. A co-op going into full time upon graduation is a possibility for a hard working student who proves him/herself in the workplace. To apply, submit your resume to Mrs. Shaffer.
121		<u>Presque Isle Downs</u> , Footmill Road, Erie PA 16509. Would like to hire personnel for building and grounds maintenance, as well as equipment maintenance. Interested candidates should submit their resumes to Mrs. Shaffer.
122		<u>Hotel by Marriott</u> , Peach Street, Erie PA 16509. Would like to receive referrals for a hotel maintenance position. Interested candidates should submit their resumes to Mrs. Shaffer.
123	CONSTRUCTION TRADES	<u>Westerdahl Construction</u> , Fairview PA 16415. Would like to hire a co-op student interested in beginning his/her career in home building and remodeling. Most work is in the west county area. The company wants to hire a student with a good work ethic who will work full time upon graduation. Not interested in receiving resumes from military or college bound students. Interested candidates should contact Mrs. Shaffer to schedule an interview.
124		<u>Cornerstone Construction</u> , Erie PA. Gene Seip would like to hire adults (age 21+) for industrial and commercial building and remodeling projects. The company does most of its work in Erie and has completed projects at such businesses as Lord Corporation and Millcreek Community Hospital. Qualifying candidates should call Mr. Seip at 814/838-3414.
125	CULINARY ARTS	<u>Pleasant Ridge Manor</u> , West Ridge Road, Fairview PA 16415. Would like to hire individuals for full time summer work in dietary. Interested candidates should submit their resumes to Mrs. Shaffer.
126	STERIS POSITIONS	<u>Steris</u> , 2424 West 23 Street, Erie PA 16506. Steris would like to hire a Technical Training Program Developer. Job responsibilities include: planning and developing training programs, delivering initial presentation, performing cross over support training, creating all curriculum documentation and respond to requests for customized training. (This position is not affected by the transition to Mexico.) Steris is also looking for an Associate Field Service Engineer. The ideal candidate for this job will have an Associate degree in mechanical/electrical/electronic field and three years related experience in the field servicing and repairing equipment. To apply for these positions, forward your resume with salary information by mail or online to Steris Corporation, Human Resources/KR, 2424 West 23 rd Street, Erie PA 16506, Fax (814) 870-8263 or apply online at www.steris.com .
127	COMMUNICATIONS	<u>West Corporation</u> , 2323 West 38 th Street, Erie PA 16509. Now hiring both Customer Care and Customer Sales Representatives for incoming calls. Apply online at www.westemployment.com .

Erie County Technical School

2006-2007

128	SALES	WICU TV is currently seeking a salesperson with previous media/advertising experience. Successful candidates must be able to aggressively develop new business while maintaining and enhancing existing client base. College degrees and/or sales experience in advertising preferred. 401(k) and health care plan included. To apply, please forward resumes to Matthew Filippi, Local sales Manager, 3514 State Street, Erie PA 16508, or e-mail to mattf@wicu12.com
129	BEGIN YOUR MANUFACTURING CAREER	American Hollow Boring , 1901 Raspberry St. Erie PA 16502. Would like to hire individuals 18 years of age and older to work as material handlers. Candidates must pass a shop math test and a pre-employment drug screen. Job responsibilities include: crane & forklift operation, labor duties such as sweeping, shoveling and cleaning up chips, loading & unloading trucks, etc. Advancement opportunities are available in the machining department for hard working candidates. Interested applicants should submit their resumes to Elaine Shaffer in the co-op office.
130	AUTO TECHNOLOGIES	Lake Erie Speedway , 10700 Delmas Drive, North East PA 16428. Offering internships to Auto Tech students to work as assistants to the Master Technician. The job includes working on 4 and 6 cylinder house race cars (building and repairing) and other company vehicles (tractors, trailers, etc). The job schedule is to work 2-3 days during the week on an unpaid basis. Qualified interns would then be offered assignments to pit crews during Friday and Saturday races. When working on race nights, the interns would be paid \$75, their pit passes would be paid for, and Lake Erie would also pay for their NASCAR licenses. Interested students can apply for these internship opportunities by submitting their resumes to Mrs. Shaffer.
131	TOOL & DIE	Alliance Plastics , 3123 Station Road, Erie PA 16510. Would like to hire a qualified individual to work in a toolroom environment. This is not a co-op position; Alliance is looking for ECTS TDI graduates who may currently be seeking better opportunities in the machining field. The job involves operating basic machinery – lathes, grinders, mills, both manual and CNC. Gaging and inspection is also required. EDM experience is a plus for this job. Interested candidates should submit their resumes to Mrs. Shaffer
132	TOOL & DIE/MACHINING	Knox Western , 1111 Bacon Street, Erie PA 16511. Would like to hire an adult (with experience) to operate manual machines – Bridgeport Milling Machines and Engine Lathes. Also, an opening exists for an entry level individual to deburr parts. All candidates for employment must be at least 18 years of age. These jobs are second shift positions – four-ten hour days (3 pm to 1 am daily). Interested candidates should submit their resumes to Mrs. Shaffer.
133		Great Lakes Tool Grinding, Inc. , 2703 W. 21 Street, Erie PA 16505. Looking for an individual to work as a Tool and Cutter Grinder. Job requirements include: good communication skills, ability to use micrometers and work safety in a machine shop environment. The individual applying should have some experience working on a surface grinder and Bridgeport. Please submit resumes to Mrs. Shaffer to apply.
134	CONSTRUCTION TRADES	Buckeye Builders . Would like to hire an individual to begin his/her career in construction of new houses. Most of this work is done in the Millcreek and Fairview areas. Students interested in working co-op now can submit their resumes to Mrs. Shaffer to apply for this position.
135	CULINARY ARTS	Rolling Fields , Conneautville, PA. Would like to hire a chef to manage the Culinary Department of this elder care facility. This would include upgrading the kitchen and purchasing new equipment. This job entails regular day-shift hours, Monday through Friday. For more information on the facility, visit the website
