RE: Resignation

Dear Aldo,

It is with much regret that I submit this letter of resignation effective on this date.

I would like to thank you and your staff for all the help I received over the past two years regarding my health concerns. You have all made this transition easier.

It has truly been an honor to teach at E.C.T.S. for 18 years. I wish I had 18 more.

Sincerely,

A handwritten signature in black ink, appearing to read 'Paul W. Brenneman', written over the word 'Sincerely,'.
