Special Education

Mid term progress reports- Jan and Pat sent out the fourth quarter mid-term grades, for all students with Individualized Education Plans (IEPs) and Section 504 Plans, to our home schools special education staff and guidance counselors

Guidance Counselors Meeting- On Friday, May 25 we will be part of a County Counselors meeting. At that time we will review the names and placements of students with Individualized Education Plans (IEPs) or 504 Service Agreement Plans. We will, also, be thanking the counselors and their special education staff for providing us with the documentation needed on our new students.

Literacy

ECTS Literacy Team – On May 7th Pat accompanied two of our instructors: Donna Erdman, from Early Childhood Education and Tim Mientkiewicz, in Electronics to Columbia Montour Area Vocational–Technical School, in Bloomsburg, PA. We visited this school to see first hand how their teachers implement reading strategies in their classrooms. They have combined the use of reading strategies with a step by step procedure to help increase the reading comprehension in their students. We are hoping to utilize some of their procedures to enhance our literacy program here at the Erie County Technical School.
