Dear Aldo:

Please join The Erie Community Foundation at a meeting with Sandi Vito, Deputy Secretary for Workforce Development for the State of Pennsylvania, on Thursday, November 30th at 2:30 to 4:00 pm. The meeting will be held at the offices of The Erie Community Foundation.

The purpose of the meeting is to discuss future steps to create a community college in Northwest PA. Sandi has identified Charlie Lyons, an independent consultant with significant experience in Harrisburg and with community colleges, as a resource. Charlie will be present to describe and layout options for key stakeholders to pursue over the next twelve months.

We hope you will join us to discuss this important issue and share your view of what we might – together - seek to accomplish in the future.

Please RSVP to Jayne Randall at 454-0843 no later than November 27, 2006.
Thank you.

Sincerely,

Michael L. Batchelor
