Erie, PA 16509

Dear Dr. Jackson;

The education department at SCI Albion is pleased to accept the offer of the donated items listed below for use as training aids in the education department. We appreciate your personal involvement on our Vocational Advisory Committee, and the assistance of the Erie County Technical School in helping us fulfill our mission of "...providing opportunities for inmates to acquire the skills and values necessary to become productive, law-abiding citizens..."

I understand the items to be donated are

- 1(one) Red GEO Metro, VIN # 2C1MR229376730962, untitled. We also understand that this vehicle must be used only as a training aid in the Auto Mechanics and Auto Body repair educational programs, and must be completely scrapped when no longer useful for that purpose.
- 1 (one) 6-cylinder engine w/transmission.
- 2 (two) 6-cylinder engines.
- 1 (one) manual transmission
- 1 (one) automatic transmission
- 3 (three) automotive read-end assemblies.

Please accept my thanks for your support of the goals of the education department at SCI Albion.

Sincerely,

Marilyn S. Brooks
