Dear Natalie:

As per the discussion that we had with John Hansen on 9/11/2006, I am resubmitting my letter of resignation. As agreed, I have changed my date of resignation from 9/22/2006 to 11/2/2006 which would be the end of the first quarter grading period.

The change is being made so that the administration can have more time to find a suitable replacement for my position. As I expressed to you and John, I truly want to aid in this transitional period. My future employer has agreed to allow me to work around my schedule here at ECTS and I am willing to do both jobs as long as I find that I am able to effectively perform my duties at both organizations. Should I find that I cannot keep this schedule, I will inform you of this in as timely a manner as possible.

Please feel free to discuss this matter with me at any time.

Sincerely
