It is understood that the responsibility and liability of the organization making this request includes, but is not limited to the following considerations:

1. Use of the buildings and grounds on Saturdays or Sundays, while not prohibited, is discouraged. If use of the facility is granted for a Saturday or Sunday, there will be costs in addition to any rental fee that will be assessed at the rate of \$25.00 per hour.
2. All facility use fees and other charges for such use must be paid in full.
3. **School-related and Community Service organizations** will annually not be required to provide proof of liability insurance, but they will be requested to sign an Indemnification and Waiver of Liability form. **Non-profit organizations** are required to present proof of public liability coverage with limits of \$300,000 per accident. **Profit-making organizations** are required to present proof of public liability coverage with limits of \$500,000 per accident. The school's Operating Committee, through the recommendation of the school's Director, may require higher limits of liability insurance for specific and/or unique situations.
4. Understand that the Eric County Technical School will not be held liable for injuries or illness incurred on school property by individuals directly or indirectly associated with the event taking place.
5. Provide adequate supervision to assure proper use and care of the building, grounds, equipment, and furnishings.
6. The organization is responsible for setting up, moving, dismantling, and returning furniture, equipment, and supplies to their proper place. *Use of kitchen facilities requires the presence of a representative of the cafeteria staff. Remuneration shall be at the prevailing rate per hour, paid directly to the individual involved in addition to any applicable usage fee.*
7. The organization is responsible for performing all custodial chores necessary to restore the facility and furniture to the condition in which it was found. *A fee will be charged for special or additional set-up services required prior to or after scheduled use.*
