

High School Activity Report

April 24, 2008

SkillsUSA

During the week of April 1, 2008, Patty Palo and Patrick Holland accompanied ten ECTS students to Hershey, PA, for the state SkillsUSA competition. Of our ten competitors, Sean Peters, a senior Metal Fabrications student from Fort LeBoeuf, won a gold medal and the opportunity to compete at Nationals in Kansas City in June. The complete listing of competitors can be found in the “supplemental information” section of the board agenda.

Senior Awards Ceremony

It is hard to believe, but the ECTS graduation committee has already held two meetings in preparation for our Senior Awards Ceremony. This year’s ceremony will again be held at the MIHS Little Theatre on Wednesday, May 28, 2008 at 7:00 p.m. All members of the JOC are invited to attend.

NOCTI Testing

Patty Palo is once again conducting this year’s NOCTI testing during the month of April. Most of our seniors have taken the written standardized assessment, as well as a hands-on performance portion of the exam at this time. All NOCTI testing will be completed by April 30, 2008. The results will be used to direct the focus of our staff in-service training for the 2008-2009 school year.
