MUNICIPAL LEASE CREDIT APPLICATION

FOR TRANSACTIONS UNDER \$100,000 (up to 5 years in term)

Please fully complete the following information and fax to Advance Leasing at (800) 288-4959

Legal Name of Lessee: ERIE COUNTY TECHNICAL SCHOOL
 Address: 8500 OLIVER RD
 City: ERIE State: PA Zip: 16509
 Contact Person: PAUL FRITZ Title: BUSINESS MANAGER
 Phone: 814 464 8662 Fax: 814 866 5247
 Alternative Contact Person: STEVE SCOFORD Title: MAINTENANCE MANAGER
 Date municipal entity was established: 1968 Federal I.D. Number: 251150947

Total cost of Equipment: 13,990.00
 Down Payment: _____
 Trade-In: _____
 Amount to Finance: 13,990.00

Term (years): 4
 Delivery date: 9/1/2007
 Payment: \$ 3961.72
 Payments: Monthly ☒ Annual ☐ Semi-Annual ☐ Quarterly ☐

Is the Equipment Replacing existing "like" Equipment: Yes ☐ No ☒

If yes, please state how long the municipality has used the current Equipment and the reason for purchasing the new Equipment: _____

Does Lessee currently owe, or currently making, lease payments on the existing Equipment being replaced? Yes ☐ No ☒

If yes, please describe in detail what agreement (if any) you have worked out with the vendor concerning the existing Equipment that is being replaced: _____

Please describe the new Equipment & attach a vendor brochure (Include the Hardware/Software Breakdown if computers): _____

Please describe in detail why Lessee needs the Equipment and the essential use it will provide: _____

instructional lab maintenance

What fund will the rental payments be made from: General or Special (Please Specify) GENERAL FUND

Have you ever been in Default or Non-Appropriated on a Municipal Lease: Yes ☐ No ☐

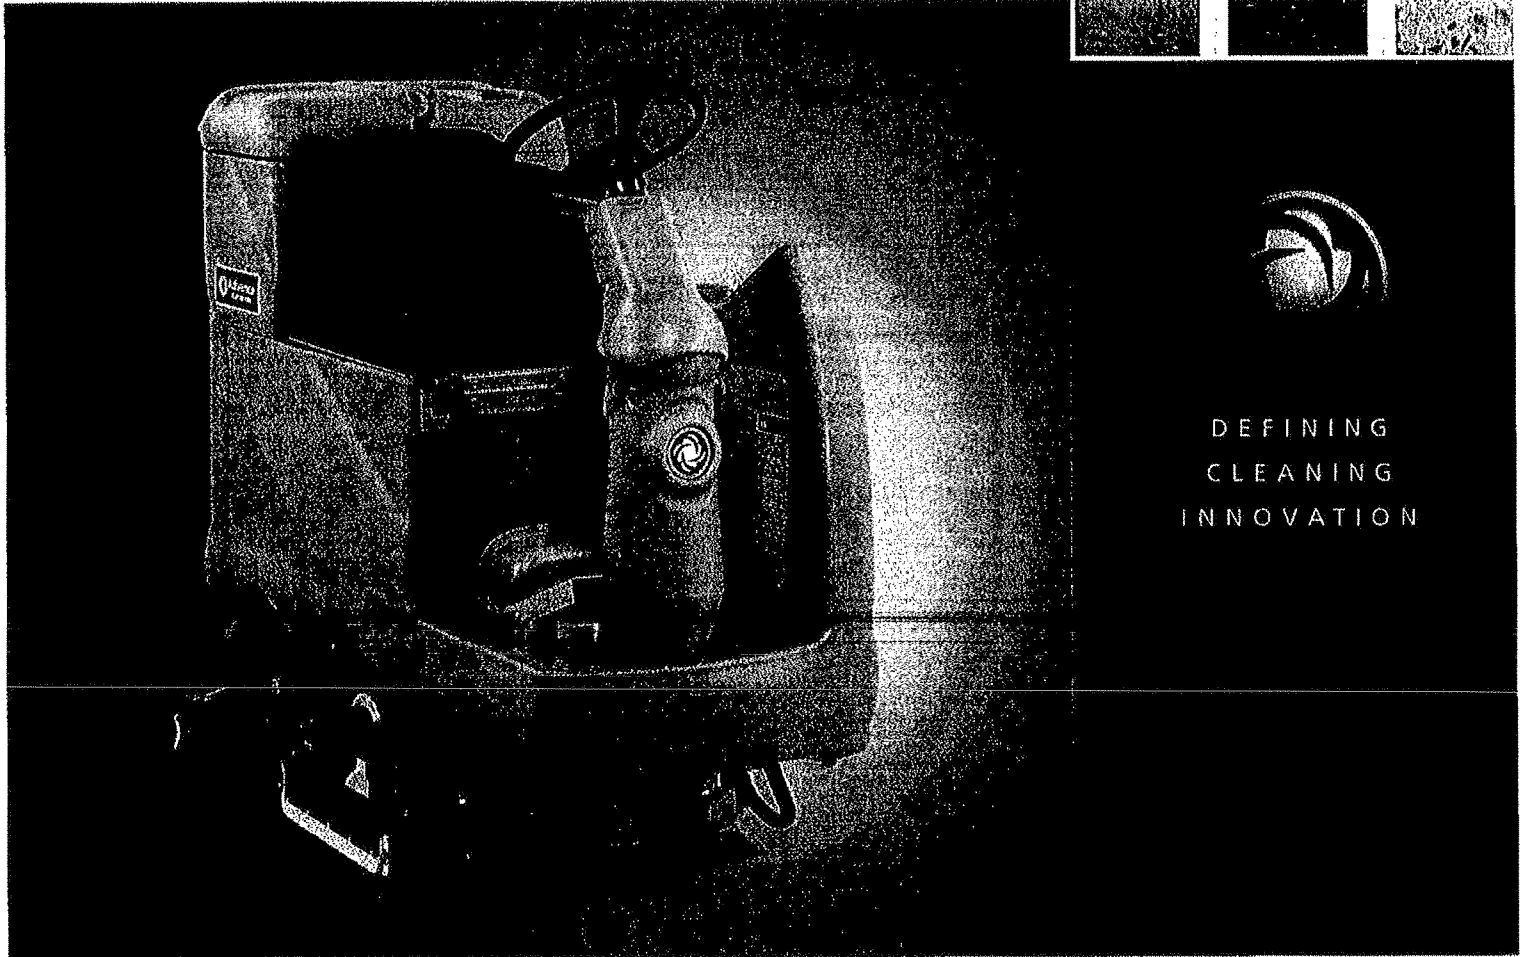

Please accurately fill out the requested Fund information for either the General Fund or the Special Fund from which the payments will be made. Alternately, you may fax a copy of your balance sheet and income statement along with the signed Formal Proposal to Advance Leasing at (800) 288-4959.

by Nilfisk-Advance

Advance Rider Adhancer™

Hard-Floor Maintenance System

Take Cleaning Productivity to a New Level

Searching for a highly productive rider to replace the conventional daily cleaning steps of sweeping, scrubbing and burnishing? Then, consider the benefits and time-saving versatility of the easy-to-maneuver and operate Rider Adhancer™ hard-floor maintenance system.

As with the walk-behind Adhancer™ from Advance, the Rider Adhancer uses an innovative approach that combines sweeping, washing and polishing in one pass ("SWAP" for Sweep, WAsh and Polish) to maintain the cleanliness of the floors without degrading the gloss or clarity of the floor finish.

The Rider Adhancer hard-floor maintenance system was exclusively designed with the operator in mind. Clear-View™ sight lines on the operator compartment provide an excellent field of vision while easy-to-use indicators

on the One-Touch™ control panel keep operation safe and simple. An onboard battery charger comes standard for quick and convenient charging anywhere in your facility. The standard battery watering kit allows for easy battery maintenance.

Because floor surfaces have continued to change and improve over the years, Advance has designed the Rider Adhancer one-pass maintenance system to clean a variety of floor surfaces. This new system is ideal for cleaning modern finished floors, stone, terrazzo, marble, sheet vinyl, epoxy and polished concrete.

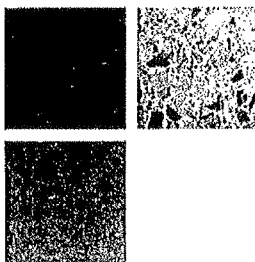

Ideal for daytime cleaning, the Rider Adhancer reduces cleaning complexity by 75%, as the operator no longer needs to use multiple cleaning steps or multiple pieces of floor-cleaning equipment. With its ride-on capabilities, this machine also significantly decreases total cleaning costs by an impressive 50% to 65%. By riding instead of walking, an operator can maintain up to 53,500 square feet per hour and still have enough time and energy to complete additional cleaning tasks.

The Rider Adhancer hard-floor maintenance system comes standard with the AXP™ onboard detergent dispensing system. The AXP system increases operator productivity by taking the guesswork out of how much detergent to use. You simply set the AXP dilution rate selector according to the detergent manufacturer's directions and you are ready to clean. Plus, you can use any detergent, including those that are green-certified, so there is no need to switch your detergent or cleaning routine. The Green Seal certified AXP Adhancing Agent is the detergent of choice for the optimum in cleaning and enhancing results.

By maintaining your floors with the Rider Adhancer one-pass system, you reduce overall cleaning complexity and increase operator productivity. Discover the added benefits of the Rider Adhancer hard-floor maintenance system and you'll find out it's time to **Stop Cleaning and Start Maintaining.**

Ideal Applications Include —

- Shopping Malls and Large Retail Stores
- Hospitals/Healthcare Facilities
- Supermarkets
- Schools and Universities
- Government Buildings and Installations
- Commercial Cleaning
- Daytime Cleaning
- Airports/Train Stations/Bus Depots
- Pre-finished Sheet Vinyl
- Polished, Stained, or Stamped Concrete
- Rubberized Flooring

GREEN

Air Quality: With the reduced need for burnishing, less dust is created and propane emissions are reduced, promoting better indoor air quality.

Safety: With the touch-free Green Seal Certified AXP Adhancing Agent, operator exposure to harmful chemicals is eliminated.

Sustainability: The Rider Adhancer floor maintenance system promotes eco-efficiency and building sustainability by avoiding adverse impacts on occupants, cleaning personnel, the building itself and the environment.

Performance: Combining three tasks into one minimizes use of labor, detergent and water while maintaining floor appearance.

Ergonomics: With its ride-on capabilities, the operator is less fatigued than with a walk-behind machine.

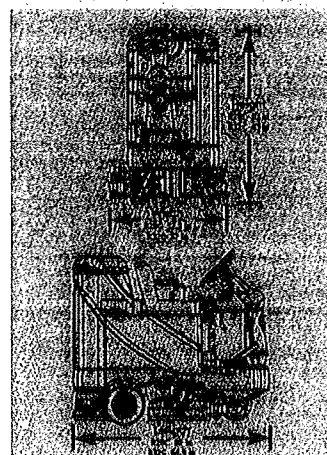

AXP™ Onboard Detergent Dispensing System

- Use any manufacturers' detergent, including Green Seal Certified detergents
- Quickly change out detergents for multiple applications
- Eliminates waste and guesswork on dilutions and dispensing
- No messy foam in solution tank while filling
- Using clean water in the solution tank minimizes machine maintenance.

Defining Cleaning Innovation...

- Our products are designed using innovative technology that increases productivity and drives down the cost to clean.
- You can get expert service and maintenance for your Advance machines from factory-trained personnel around the world. Fast parts delivery, too.
- Maintain peak performance with Nilfisk Genuine OEM Parts.

Nilfisk Genuine OEM Parts

Optional Accessories

- AXP Adhancing Agent
- Conventional Scrub Decks, Disc or Cylindrical for Project Work
- Onboard Scrub and Vac Kit
- Dual Vacuum Motors

Advance

by Nilfisk-Advance

Commercial Limited Warranty

Please consult your dealer for information on machine maintenance and genuine OEM replacement parts.

Please direct any warranty or maintenance questions to your dealer. The dealer has the people that are skilled in troubleshooting your equipment problems and analysis of all your cleaning needs.

Limited Warranty

Nilfisk-Advance, Inc. warrants to the original end user, each new machine, new accessory and genuine Advance replacement parts against defects in material and workmanship under normal use and service. Our obligation under this warranty is limited to repair or replacement of the defective item at our factory or by an authorized Dealer Service Center. The warranty coverage period is detailed below.

This warranty shall not apply to repairs resulting from accidents or misuse, damage in transit, overloading the capacity of the machine, failure due to lack of proper maintenance or care, including but not limited to flushing of harsh chemicals from parts of the machine as described in the operating and maintenance instructions. Minor adjustments, such as tightening of screws or bolts not connected with the replacement of parts, are not covered. Repairs or

alterations by an organization other than the factory or its authorized Dealer Service Center are not covered and will void any Nilfisk-Advance, Inc. warranty as to the parts or systems repaired or altered by a non-authorized organization. Replacement of expendable wear items such as scrub brushes, carbon motor brushes and various rubber/plastic parts etc. are also not covered.

THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE DESCRIPTION OF THE LIMITED WARRANTIES STATED WITHIN. NO OTHER WARRANTY, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, IS MADE EXCEPT AS EXPRESSLY STATED HEREIN. ANY STATUTORY IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, THAT ARE IMPOSED BY LAW DESPITE THE EXPRESS LIMITATION OR WARRANTIES ABOVE, ARE EXPRESSLY LIMITED TO THE DURATION'S OF THE WRITTEN WARRANTY. BUYER UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT THE REMEDIES PROVIDED UNDER THIS LIMITED WARRANTY ARE THE SOLE AND EXCLUSIVE REMEDIES AVAILABLE TO THE BUYER. NILFISK-

ADVANCE, INC. WILL NOT BE LIABLE FOR ANY OTHER OR ADDITIONAL DAMAGES, INCLUDING BUT NOT LIMITED TO INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE FURNISHING, PERFORMANCE, USE OF OR INABILITY TO USE THE MACHINE.

All transportation or shipping charges resulting from the return of machines, parts, or accessories shall be the responsibility of the end-user. When returning, please provide an explanation of the problem and include the serial number of the machine as well as the name of the selling organization. The Technical Service department of the authorized Dealer Service Center or the factory will investigate and then contact you.

The start date of the warranty coverage on non-rider machines shall be the purchase date by the original end user, or six (6) months from the date the machine was shipped from the factory, whichever is earlier. The start date of the warranty coverage on rider equipment is the purchase date by the original end user, or one year from the date the machine was shipped from the factory, whichever is earlier. The warranty registration card is to be completed and returned immediately at the time of purchase.
