Dear Paul D. Fritz, PRSBA:

Subject: EasyProcure 2007 Rebate Check Enclosed

On behalf of the EasyProcure Board of Managers, I am pleased to inform you that your rebate check is enclosed. EasyProcure participants earned 42.5 basis points for the program's second full rebate period covering June 1, 2006 to May 31, 2007. As a result EasyProcure provided a grand total of \$78,663.90 in rebates to our participants. Our records indicate that your local education agency purchased a total of \$564,225.72. This, in turn, entitles you to a \$2397.96 EasyProcure rebate. Congratulations! *Please note that rebates equal to or less than \$10.00 will not be distributed.*

The EasyProcure program collectively had \$15.6 million in aggregate purchases this period. During the program's second full year the number of active participants grew to 50 schools. We anticipate that during the 2007-2008 program year, the number of schools participating in the program will continue to grow as well the amount of participant spend. Our goal for 2008 is to reach the next tier of 45 basis points. Let's make this year's rebate a small portion of what's to come!

I want to personally thank you for your participation in this rapidly growing program. If you would have any questions or concerns, please feel free to call Jennifer Hess or me at (717) 540-9551.

Sincerely,

Jay Himes, CAE
EasyProcure Chair
