Dear Dr. Jackson:

On behalf of my Board of Trustees, I would like to thank your foundation for your gift of \$200,000.00. This donation has been used to establish the Erie County Technical School Endowment Fund of The Erie Community Foundation.

I hope you feel good about this gift. Eventually, this endowment will become an increasingly important source of hope and support. It is literally impossible to predict the good that will eventually flow from your thoughtful philanthropy.

Should there ever be questions or comments about our work, do not hesitate to call.

Happy New Year
MLB:lk

Sincerely,

Michael L. Batchelor
President
