

High School Activity Report January 24, 2008

SkillsUSA

On Friday, February 1, 2008, Donna Erdman, Patty Palo, and Elaine Shaffer will accompany 30 ECTS students to Central Tech for the regional SkillsUSA competition. In addition, ECTS and Crawford County CTC also hosted several competitions at the district level. Patty Palo and John Hansen also accompanied four students to Lenape Tech today for the Health Assistant quiz bowl. Since the major competition is not until next Friday, we will have a full report of our competitors' success in the February High School Activity Report. All students who earn a first place are invited to the state SkillsUSA Competition in April, in Hershey, PA.

Student Grades

Thursday, January 17, 2008, marked the end of the first semester for ECTS students. Teachers were asked to have all grades into SchoolDESX by Friday, January 18, 2008. Sending schools should have received grades by Tuesday, January 22, 2008. Thanks to Jeff Smith and Linda Harpst for ensuring smooth operation of this process.

Adult Co-Enrollment Committee

On Thursday and Friday, February 7th and 8th, 2008, Patty Palo, John Hansen, Dave Yanosko, Ken Balsiger, and Tim Mientkiewicz, will visit three **Career and Technical Schools**. **All three currently** have adults enrolled in their high school programs. Our committee has a series of questions which we will ask. After the visits, the committee will present our results to the JOC at the February JOC meeting.

The next Erie County Principals meeting will be held at ECTS on Wednesday, January 23, 2008 from 9:00-11:00 a.m. This serves as a great arena for communication between the Erie County Principals and ECTS. In addition, State Rep. John Evans is scheduled to attend this meeting to hear from Erie County Principals regarding the impact of Cyber Charter Schools.
