

Superintendent's Report
Erie County Technical School
Joint Operating Committee
March 27, 2008

Intermediate Unit Report- Bill Nichols presented the items for discussion as follows:

- Fingerprint machine addition in Crawford County
- RCI discussion of expanded programming
- RACHEL'S CHALLENGE
- I.U. will have a seat on the Community College Committee

Articulation Agreements- Dr. Jackson disseminated a handout on the current post-secondary articulation agreements with other educational entities which outlines the number of credits allowed.

Advanced Academic Classes- Dr. Jackson presented a handout documenting the number of students taking advanced classes and the specific classes he was able to track. Further analysis was provided by various labs. A discussion evolved concerning expanded programming to assist in meeting proficiency requirements for PSSA and the possibility of higher level students for labs.

Admission Scores Analysis- a handout was provided to detail the admission scores by specific labs.

2008-2009 Budget Notice – The budget with the priority one items was presented to the Superintendents to take back to their respective districts for approval.

Land Sale- Dr Jackson discussed the land sale and the legal documents needed for completion as follows: Deed to districts for board president signature, Proposed sale submitted to judge for approval Closing

Special Education Verification Process- the list of students will be submitted to the Special Education Supervisors two times per year (Fall & Spring).

Community College Committee- Dr. Jackson reported ECTS was invited to have a representative on the Educational Strategies Committee. It was felt that Aldo would best represent our position.
