

Program	Equipment	Investment	Capabilities
Auto Body Repair	Refrigerant Reclaimer & Charging Package	\$4,200	Upgrade to new industry standard
Auto Body Repair	Envirobase Computerized Paint Mixing System	\$2,200	Upgraded and expanded existing system to industry standards
Automotive Technologies	HVAC Training System	\$27,700	Enhanced training capabilities for groups and individuals to include component faults and scenarios
Automotive Technologies	Hunter Alignment System	\$17,027	Upgraded and expanded existing system to industry standards
Automotive Technologies	Hunter Tire Changer	\$8,150	Additional workstation that upgraded and expanded training to industry standards
Automotive Technologies	Snap-On Modis Scan Tool & Scope	\$7,303	Upgraded and expanded existing system to industry standards
Automotive Technologies	Ammco Brake Lathe	\$5,961	Replaced existing equipment to industry standards
Construction Trades, Facilities Maintenance Technologies & Electrical Engineering	Rigging Training System	\$8,721	Enables OHSA-based training in rigging
Cosmetology	Vanity Workstation and Styling Chair (Qty. 25)	\$38,675	Improved appearance and learning environment; replaced equipment acquired 15 years ago
Culinary Arts	Convection Oven	\$4,390	Replaced original equipment in laboratory/kitchen
Culinary Arts	Induction Range	\$5,376	Replaced original equipment in laboratory/kitchen
Culinary Arts	Refrigerated Serving Station w/breath guard	\$4,322	Upgraded system to industry standards
Culinary Arts	Roast & Hold Oven	\$7,395	New equipment to expand training to industry standard
Drafting & Design	Three-dimensional Printer	\$29,975	Solid, three-dimensional parts printing
Early Childhood Education	Little Tykes Playcenter	\$5,135	Expanded and upgrade equipment to safety and industry standards
Electrical Engineering	Allen-Bradley Programmable Logic Controllers	\$8,790	Upgraded and expanded existing equipment to industry standards
Facilities Maintenance Technologies	Lab-Volt Refrigeration Training System	\$20,290	Enhanced and expanded air conditioning and refrigeration training capabilities

Program	Equipment	Investment	Capabilities
Graphic Communications	Duplo Desktop Binder	\$7,198	Provides enhanced binding services for print materials
Graphic Communications	Epson Wide-format Printer	\$4,693	New equipment to expand training to industry standard
Graphic Communications	Duplo Creaser	\$9,823	New equipment to expand training to industry standard
Graphic Communications	Sprint 5000 Booklet Maker	\$5,800	New equipment to expand training to industry standard
Graphic Communications	Baum Drill	\$8,000	Upgraded and expanded existing equipment to industry standards
Health Assistant	Simulation Mannequin	\$34,325	• Interactive manikin which gives feedback to interventions • Spontaneous breathing • Carotid, femoral, brachial, radial, bilateral dorsalis pedis and posterior tibialis pulses • Blood pressure may be taken automatically, palpated or auscultated
Health Assistant	Leica Trinocular Microscope	\$3,173	Provides enhanced visual and large group presentation of microscopic images
Health Assistant	Welch Allyn EKG Machine	\$4,000	Expanded curriculum to include EKG testing and monitoring
Health Assistant	Patient Lifts (Qty. 2)	\$5,440	Upgraded standard health care equipment to industry standards
Metal Fabrication	Geka Hydraulic Ironworker	\$46,545	Multi-function metalworker that shears, bends, cuts and punches metal materials
Metal Fabrication	Torit Dust Collector	\$7,884	Improved dust collection related to welding processes
Metal Fabrication	Miller Pedestal Welder	\$3,562	Upgraded and expanded training capabilities
Tool & Die	Hurco Computerized Numerical Control Mills (Qty. 5)	\$206,295	Upgraded and expanded training capabilities to industry standards
Tool & Die	Hurco Computerized Numerical Control Lathes (Qty. 3)	\$121,943	Upgraded and expanded training capabilities to industry standards
Welding (RCTC)	Multi-function Welders (Qty. 12)	\$49,872	Acquired to provide customized welding training for incumbent worker training program
Total Investment	2005 to 2008	\$724,163
