

High School Activity Report

September 27, 2007

2007-2008 School Year

Currently we have 744 students enrolled in our 19 programs at ECTS. Friday, September 14, 2007 was our last day for student to change programs, until the end of the first semester in January. This school year is off to a great start. The feedback received from faculty and staff was positive with regards to the two days of in-service which were conducted prior to the arrival of our students. Natalie Fatica is to be commended for arranging such a worthwhile training session.

Student Orientation

John Hansen conducted student orientations for all ECTS students on Monday, September 10, 2007. The students were very attentive, and the session concluded with a questions and answers session which highlighted the student handbook and other ECTS policies. This is a great opportunity for John Hansen to interact with our ECTS students, and allows our students to put a face with a name.

Fall Fest

On Wednesday, September 19, 2007, the Fall Fest Committee conducted the first committee meeting. The ECTS Fall Fest, provides an opportunity for parents and community members to experience what a great school ECTS is, combines a terrific meal with our annual open house. In addition, there will be a bake sale and Chinese Auction in which baskets donated by individual programs will be given out to the lucky winners. Tickets for the dinner are \$8 for adults and \$4 for children under the age of 8. Tickets will go on sale Tuesday October 9, 2007. This year we will have two seatings for the dinner. The first seating will run from 5:00 until 5:45, and the second seating will run from 6:00 until 6:45. The open house will run from 6:00-8:00 p.m., except for Culinary Arts, which will run from 7:00 until 8:00 p.m.
