Dear Mary Ellen,

Effective on or about September 7, 2007 I will tender my resignation as RCTC Secretary. As you know I have been searching for more consistent hours and perhaps full time employment. Though that was not necessarily my original intent I have come to realize that working several part-time jobs is not in my best interest.

I will continue to seek a full time position, preferably within the state system, and I am hopeful that giving up one of my part-time jobs will allow me the time to do that.

Thank you for allowing me the opportunity to work in the adult education program. Let me offer my assistance to you, should you need it, in the interim. As long as my schedule will permit I would be happy to help wherever I can.

Sincerely,

Donna Smolko
