Dear Sir or Madam,

I am interested in the position of reading coach which was posted in Sunday's *Erie Times News*. Having taught in a vocational education system prior to moving to Erie two years ago, I am familiar with the particular needs of students preparing to go directly into the work force after high school.

In addition to being certified as an English teacher, I have taken a number of courses toward my reading certificate. Also, I have worked as a long term substitute reading resource teacher.

I would welcome an opportunity to talk with you further about this position and my teaching experiences at Great Oaks Vocational School in the Cincinnati area. Thanks for your consideration.

With Kind Regards,

Robin Grimes
