Supervisor of Instructional Support Services
Erie County Technical School
8500 Oliver Rd.
Erie, PA 16509

Dear Ms. Kennerknecht:

We have received the team evaluation results for recertification of your Collision Repair and Refinish technician-training program. The results indicate that the program meets the criteria for recertification in Language/Arts, Mathematics, and Painting & Refinishing.

We commend you and your staff for maintaining your program's standards, and continuing to meet the industry's requirements. The explosion in automotive technology makes your high quality automotive training program more valuable than ever.

To acknowledge your accomplishment, we are creating a plaque for you that will recognize your school and the specialty areas your program has obtained recertification in. You will receive this plaque within 6-8 weeks.

Congratulations!

Sincerely,

William A. Kersten
President, NATEF

Re: Applied Academics Recognition

Congratulations! We are pleased to inform you that your Language Arts, Mathematics program has been selected to receive recognition for applied academics. Enclosed please find a certificate of excellence to recognize your school for the integration of academics and technical skills within your curricula, and for the collaborative effort between your automotive and academic instructors.

Again, we applaud you for your efforts and for the excellence of your program. Please feel free to contact us if we can be of any assistance to you.
