

High School Activity Report

February, 2009

2nd Quarter ECTS Honors:

The second quarter grading period ended January 21, 2009 and with that conclusion, ECTS recognized three groups of outstanding students:

HONOR STUDENT – A student who achieved a 95% or better for a lab grade.

80 students obtained the Honor Roll status which represents 11% of our population.

PERFECT ATTENDANCE –

129 students had Perfect Attendance which represents 18% of the ECTS population.

DISTINGUISHED STUDENT – An honor student with perfect attendance.

29 students were recognized with a Distinguished Student certificate which is 4% of the ECTS population.

Pam Lasher did an outstanding job compiling the information and preparing the certificates.

Skills USA Competition and Results:

The Skills USA competitions were held at four different venues this year. ECTS hosted the “Early Childhood Education” portion of the challenges while Crawford County Tech, Erie Central Tech, and Lenape hosted the remaining contests.

ECTS had two Gold Medal winners that will attend the State Skills USA competition to be held in Hershey, PA in April. Our two first place winners were:

Alayna Wokulich – Early Childhood Education, from Fort LeBoeuf High School

T.J. Ruf – Electronics, from Girard High School

The summary of all of the competitors and results are attached in a supplemental.

NTHS Service Project:

Bob Craft and Pam Lasher assisted the ECTS National Technical Honor Society students with their service project for the Refuge--a homeless shelter in Erie. The students directed a clothes drive at ECTS with every lab participating. I am proud to announce that ECTS collected a total of 1401 items for the Refuge Homeless Shelter. The winner of the pizza party for collecting the most items was the Cosmetology lab (389 items).

SkillsUSA District Competitions 2009

ECTS Competitors by Home School

Fairview

Ricky	Ambrose	Silver	Internetworking
Christina	Reim	Bronze	Customer Service

Fort LeBoeuf
