

ERIE COUNTY TECHNICAL SCHOOL

PROPOSED AGENDA ITEM

DATE: June 25, 2009

SUBJECT: Curriculum

CATEGORY: Operations: X Policy: Information: Personnel:

INITIATED BY: Jan Kennerknecht

DESCRIPTION: The following new courses are proposed by our CTE instructors for delivery beginning with the 2009-2010 school year. Course syllabi and course sequence charts will be developed/updated upon approval.

RECOMMENDATION: Motion to approve the following new courses for delivery beginning 2009-2010 as listed.

<i>Computer Information Systems</i>	
CIS225	Macromedia Dreamweaver Level III <i>This course is designed to prepare a student with the knowledge of web page design. This course is a continuation of Macromedia Dreamweaver I and II which were previously approved by the JOC.</i>
CIS226	JavaScript I <i>These three courses will teach students to use Visual Studio.Net to create, edit, print, save and execute various types of JavaScript script files.</i>
CIS227	JavaScript II
CIS228	JavaScript III
<i>Electronics</i>	
ELC 361	Repair Projects/Intro to Nanotechnology (formerly Customer Repair Projects) <i>This course was developed to deliver nanotechnology content required by the PA Department of Education Program of Study for CIP #15.0303.</i>
<i>Tool & Die</i>	
TDI 161	Introductory Blueprint Reading <i>This course was developed to teach 13 types of lines and orthographic projection necessary for interpreting basic blueprints.</i>
