

**Joint Operating Committee Meeting
March 2009
School District Report**

1. Academics at ECTS Survey

As part of the building renovation and expansion feasibility study, a survey of students was conducted to gauge their interest in attending ECTS all day for their academic and technical studies. Of 607 students surveyed, 37.9% indicated 'yes' they would choose to attend ECTS all day. Another 34.4% indicated that 'maybe' they would attend all day. Those combined totals equal 439 students.

As part of the same survey, 90.4% of the students responded 'yes' when asked 'if ECTS students should be able to choose between academics at their home school or academics at ECTS.

2. Budget Approved

The 2009-2010 Budget has completed the rounds of the districts. Ten of the 11 districts approved the budget. Millcreek voted down the proposal.

3. Funding Formula

The subcommittee of superintendents charged with reviewing the funding formula met for the first time on March 25. A preliminary analysis of alternatives was performed. The superintendents will review other alternatives at a meeting on April 3.
