Dear Ms. Natalie Fatica,

Congratulations on receiving your Achieve 100 Award! This award is given to those individuals who champion for career and technical education, who truly form pathways in the CTE field by acknowledging the importance of ACTE and supporting the organization 100%.

Please note the enclosed 2008 engraved year plate recognizing your commitment to 100% staff enrollment in the Association for Career and Technical Education. This award is a symbol of your school's professional dedication to ACTE and we thank you tremendously. Please attach this year plate to your existing award plaque to honor your continued participation and support.

We appreciate your support and dedication in making career and technical education your number one priority and look forward to presenting this award to Erie County Technical School again next year.

Sincerely,

Cara DiMattina
