

May 19, 2009

Dear Erie County Technical School Foundation Members,

On behalf of Erie County Technical School SkillsUSA, we would like to request \$5000.00 from the ECTS Foundation for ECTS SkillsUSA to cover the costs of sending one student and one advisor to the National SkillsUSA Conference in Kansas City, Missouri on June 22-27, 2009.

Alayna Wokulich, a senior from Fort LeBoeuf, enrolled in Early Childhood Education, earned the Gold Medal for Preschool Teaching Assistant at the Pennsylvania SkillsUSA competition in April and is now eligible to compete at the national level.

Donna Erdman, ECTS SkillsUSA advisor and Early Childhood Education Instructor, would be chaperoning Alayna.

Our fund-raising activities have enabled our students to participate in a leadership workshop and to compete at the SkillsUSA district and state level. We would appreciate the Foundation's help in sending this student to the National Conference.

We sincerely thank the ECTS Foundation for considering this request.

Sincerely,

A handwritten signature in black ink, appearing to read 'Donna Erdman', written over a horizontal line.

Donna Erdman
ECTS SkillsUSA Advisor
Early Childhood Education Instructor
