Dear Mr. Lytle:

On behalf of Girard School District, I would like to thank you and your class for planning and constructing our new baseball dugouts. They are a major improvement to our baseball facilities and the grounds in general. The teamwork, professionalism, and work quality shown by your students speaks highly of you as an instructor and of your students as to their readiness to become productive, successful members of the work force. The amount of work accomplished each day in the limited amount of time you had was unbelievable.

The Girard School District is very grateful for the time and energy put forth by you and your students.

Sincerely,

Rick R. Byerley
