SUBJECT: Funds Request for Open House

CATEGORY: Foundation

INITIATED BY: Aldo Jackson

DESCRIPTION: The ECTS marketing committee is finalizing plans for the November 20 prospective student open house. The committee would like to offer a dessert bar for guests of the school as a means of promoting the technical school. The committee estimates the cost of a dessert bar at \$500 or less. The committee feels this type of expenditure would best be supported by non-public funds.

MOTION: Approved the request of the ECTS marketing committee for up to \$500 for expenses associated with a dessert bar for ECTS guests at the November 20 open house.
