Dear ECTS Foundation Scholarship Committee,

I would like to thank you for selecting me to be an ECTS Foundation Scholarship recipient. I have finished my first month as a Civil Engineering student at Penn State University-The Erie Campus. I am living on campus and have a full schedule of classes and labs. Currently I am enrolled in three Chemistry classes (CHEM 108, 110 & 111), Engineering Design, Calculus, and Women Studies. So far college life is great and it is due to your generosity that I am experiencing it. Thank you very much for your monetary contribution to my future!

I am appreciative of the education the Erie County Technical School provided me. Thanks to each of you.

Sincerely,
