

RCTC Report
October 2008

RCTC

Term I is finished and 199 students received certificates. During Term I we also provided Emission testing to 43 individuals.

Term II begins the week of October 27. Thirty-three classes are offered, eleven of which are continuations from Term I, (Part II's).

Mary Ellen Camp will be attending a statewide Adult Coordinators meeting in State College on October 29 and 30.

New Choices/ New Options

Classes

A new group began the program on October 20 at the Bethany Outreach Center.

Grant

We have received substantial approval on our grant although the budget was reduced by 2.7 percent.

Project Directors met for a regional meeting in Butler following the Perkins meeting. We attended part of Perkins where we were introduced as resources for schools needing nontraditional enrollment and retention.

Other

We visited several Headstart programs in October to let parents know about our services.
