

RCTC Report April 2010

RCTC

The Great Lakes Building and Construction Trades Industry Partnership (GLBCT) welding training began on April 12 at the Skill Center. Additional classes will be added as registrations are collected from the participating groups.

Term IV classes continue through May 6. Registration for Term V, the final term of this school year, began April 19; classes begin the week of May 10.

New Choices/ New Options

A new class began on April 12 at the Adult Learning Center on West 18 St. in Erie. This group meets Monday through Friday through April 30.

An evening program is scheduled to run May 5 through June 24 here at ECTS.

Mary Ellen will be attending “Leadership Day”, an annual event held in Harrisburg by PA Women Work, bringing together New Choices participants and project directors from all around the state. A brunch with keynote speaker, participant success stories, scholarship awards, and a rally in the Capitol Rotunda highlight the day.
