Human and Quality Resources Report

ISO.

Internal auditing has begun. Internal auditors met and established the schedule for completion of the audits which will be completed by March. Natalie Fatica and Susan Tatalone attended training in Cleveland about the changes to the standard. It was an informative day and helpful guidance was given regarding changes and the expectations for the next audit. A survey

Staff Development.

The classified technology training continued on February 5, 2010. The training seems to be useful for staff and we will continue next month.

PIMS.

The January snapshot has been uploaded for PIMS. The ACS has been submitted to PDE. March is the next date for updates if needed.

Negotiations.

Information continues to be gathered for negotiations. The last meeting was canceled by the Federation and the next meetings are scheduled in March. At this point, two meeting are scheduled.
