Erie County Transition Center
Erie County Technical School
8500 Oliver Road
Erie, PA 16509

Dear Mrs. Scalise:

I met with our Charitable Giving Committee last week concerning the Transition Center program for students in the Erie County School Districts. I shared with them my impressions from my recent visit and meeting with you at the Center. We, also, reviewed some of the literature that you gave me. The committee agreed that this program is filling a need for students in our area with disabilities.

Eriez would like to show our support for the Transition Center program by donating \$200 for the purchase of 25 calculators for the students' classroom use.

Please let me know if this meets with the board's approval.

Best Regards,
