Dear Ms. Natalie Fatica,

Congratulations on receiving the Association for Career and Technical Education's (ACTE) Achieve 100 Award! This award is given to the organizations that champion for career and technical education (CTE) and truly form pathways in the CTE field by acknowledging the importance of ACTE and supporting the organization 100%.

Please note the enclosed 2009 engraved year plate recognizing your commitment to 100% staff enrollment in ACTE. This award is a symbol of your school's professional dedication to ACTE and we thank you tremendously. Please attach this year plate to your existing award plaque to honor your continued participation and support. Your organization is also recognized on the ACTE Web site and in the May edition of *Techniques* magazine.

We appreciate your support and dedication in making CTE your number one priority and look forward to presenting this award to Erie County Technical School again next year.

Sincerely,
