MEETING DATE: May 27, 2010

SUBJECT: Donation for AUT Program

SUBMITTED BY: Joe Tarasovitch

---

DESCRIPTION:

The Chrysler Donation System has donated a 2001 PT Cruiser to the AUT program. Mr. Michalak has expressed that many lab demonstrations could be done on the vehicle, and that it would allow our students the hands-on opportunities that are desired in the lab experience.

RECOMMENDATION:

I recommend that the JOC accept this donation from the Chrysler Donation System.
